Our church building and book store are located on Moline's Avenue of the Cities, one block east of the 53rd Street intersection. Turn south on 53rd Street A between Los Agaves Restaurant and Country Financial / Blaze Restoration and then prepare for a left turn into our parking lot.

You may also use the driveway off of 53rd Street south of the car wash and restaurant to cross over to our building. This is a good way to exit so as to use the traffic lights at 53rd Street and Avenue of the Cities or heading south down 53rd Street.

We are located in Suite A on the right side - south side of the building.
